

Deep Blue Sea

Down at the bottom
Of the deep blue sea.
Catching fishes for my tea.
One, two, three!

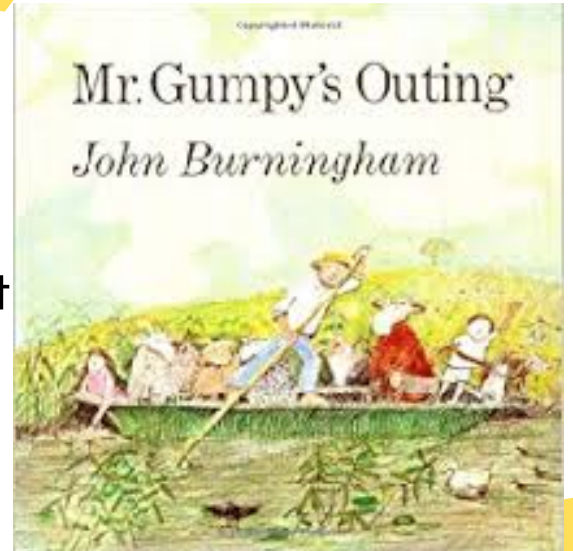

Ready, Steady...
Read!

If you liked: **Row Your Boat**

You'll love: **Mr Gumpy's Outing**

One day Mr Gumpy decides to go out on his boat but everyone wants to join him. Soon the boat is full and then the drama begins!

#TakeHomeIdeas

• Have bathtime fun finding out which objects float or sink

• Investigate with a range of different materials (wood, plastic, metal, cork, sponge)

#FunFacts

Observing floating and sinking helps children to learn about simple properties of materials and forces. Key areas of knowledge for the science curriculum in schools.
